

Work At Home Inspiration for You-Persistence and Determination

What is your mood today? Cheers to your success, and to your still-to-come projects/goals, don't give up, persistence is the key to success. Have you seen a "Care Bear" (a stuff animal that tells songs and stories to children?) It took the guy who made it twelve years to market it to success. He quit his job, spent all his savings, borrowed from friends, living on little means, he never gave up, and after twelve years, he made it! Trust yourself and stick to your guns! It helps me to read some inspiration quotes every day, here is some for you! Quotations About Persistence and Determination "The heights by great men reached and kept Were not attained by sudden flight, But they, while their companions slept, Were toiling upward in the night." --Henry Wadsworth Longfellow "Nothing in the world can take the place of Persistence. Talent will not; nothing is more common than unsuccessful men with talent. Genius will not; unrewarded genius is almost a proverb. Education will not; the world is full of educated derelicts. Persistence and determination alone are omnipotent. The slogan Press On has solved and always will solve the problems of the human race." --Calvin Coolidge "An invincible determination can accomplish almost anything and in this lies the great distinction between great men and little men." --Thomas Fuller "Knowing trees, I understand the meaning of patience. Knowing grass, I can appreciate persistence."--Hal Borland "The rewards for those who persevere far exceed the pain that must precede the victory." --Ted W. Engstrom "Persistence is to the character of man as carbon is to steel." --Napoleon Hill "Enter every activity without giving mental recognition to the possibility of defeat. Concentrate on your strengths, instead of your weaknesses... on your powers, instead of your problems." --Paul J. Meyer "The majority of men meet with failure because of their lack of persistence in creating new plans to take the place of those which fail." --Napoleon Hill "Success is almost totally dependent upon drive and persistence. The extra energy required to make another effort or try another approach is the secret of winning." --Dennis Waitley "Morale is the state of mind. It is steadfastness and courage and hope. It is confidence and zeal and loyalty. It is elan, esprit de corps and determination." --Gen. George C. Marshall "We all have dreams. But in order to make dreams come into reality, it takes an awful lot of determination, dedication, self-discipline, and effort." --Jesse Owens
