

Idolizing The Best Guitar Players

There are a vast amount of people, whether they are guitar players, or simply lovers of music, that have their very own guitar heroes. It is these heroes that may have inspired you with music and given you the motivation to learn how to play the guitar. Listed below are some of the great guitar players who have compiled groundbreaking profiles in the history of guitar playing.

George Harrison This famous guitarist was a member of the Beatles. He still remains to be idolized by many people for his skill of guitar playing, even after he left the Beatles to pursue a solo career. He is remembered for being a great man who played the guitar with a huge amount of emotion and feeling. He is also considered as being one of the greatest guitar players of all time in rock and roll.

John McLaughlin This great guitarist is known for his rock and jazz music. Even though he had many roles in the music field, it was his guitar playing that excelled him and made him famous. He began playing the guitar at the age of 11 years, and he made a great breakthrough in the music industry with his guitar playing.

Robin Trower This British guitarist became an idol in the 1970's. He became well known for his unique tone and feel along with a touch of the blues. "Bridge of Sighs" was one of his famous albums, which is considered to be the best among his many albums.

Randy Bachman This guitarist was a member of two highly famous Canadian bands by the names of BTO and Guess Who. He is not one of the most well known guitarists, however, he has made remarkable contributions in the music industry and guitar playing. His talent for writing, as well as his guitar playing, is also second to none and has contributed with these in the success of the above named two bands.

Carlos Santana This famous artist received his fame, not only for his voice, but also for his lead guitar playing. His music consists of a blend of Latin, African, blues and rock rhythms along with percussion. He has produced top quality albums and also won a great deal of awards in the music field. One of his albums which should be listened too, which is in the bracket of top selling music, is the "Best of Santana". There still remains to be other guitar players who serve as deserving idols or role models when it comes to playing the guitar. The important thing about such guitar players, is that they make large contributions in influencing individuals to love and enjoy music through the guitar. They are role models to beginners and serve as inspiration as well as aspiring professional guitar players.
